

Kris Wozniak

Industry Certification

- PRINCE 2 Certified

In 2015, Kris established Procurement and Contracts Division, a reputable procurement consultancy firm specialising in procurement transformations, probity advisory services, certified procurement training and spend analytics.

Since joining the Pro Leaders team in 2017, he has quickly become one of our most sought-after trainers. Kris's passion and enthusiasm for government procurement brings his training sessions to life, capturing and holding the attention of his audience.
